# THE SEASON FOR Citrus

Our citrus fruits have been sourced for their unique varieties, sweetness, balanced acids and juiciness for you to enjoy.

## VALENTINE POMELOS

They're a navel orange with pigmented flesh produced by the anti-oxidant lycopene. They're a very new addition to the citrus family and are full of flavour and sweetness.

## PICK THE PERFECT GRAPEFRUIT

We've picked the perfect grapefruit for you. Star Ruby is the variety that will give you a deep pink colouring, juicy zestiness and sweetness for a refreshing taste experience.

## MARSH GRAPEFRUIT

The world's most popular grapefruit for its sweet, tart flavour and juiciness. Always seedless and less bitter than pigmented grapefruit.

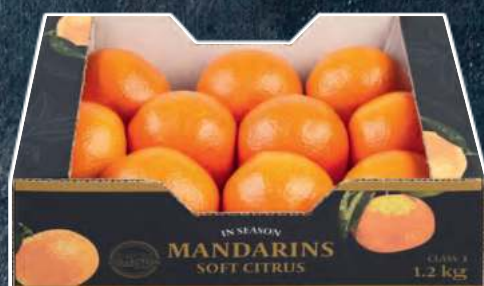

## MANDARINS

Varieties have been specially selected for their peelability, seedlessness and most importantly their sweet flavour. Only once the mandarins have passed taste tests are they allowed to be packed for our customers.

## BLOOD ORANGES

Wonderfully sweet with berry notes and beautiful crimson coloured segments. Perfect for eating as a snack, in salads, desserts or even juiced.

A natural fruitiness that includes hard-pear and mulberry. The Durif provides colour, plum fruit and texture. One of the vineyard blocks well exposed to shade, yields black pepper spice, clearly noticeable on the palate. Wood flavours are well integrated and the palate has a creamy texture.
